Elections were called for officers, all positions, President Jeff Ryan, Vice President Scott Taylor, Secretary Lisa Hurdelbrink, Treasurer Wayne Heinen and the Board were re-elected by acclamation as there were no offers by members to run for office.

One appointment was done by the board for the Director of Information Technology and Network to Joey Stanford, NV0N.

President: Jeff Ryan, K0RM
Vice-President: Scott Taylor, W0KVA
Secretary: Lisa Hurdelbrink, K0LMH
Treasurer: Wayne Heinen, N0POH
Chief Technical Officer and Director: Doug Sharp, K2AD
CEO and Director: John Maxwell, W0VG
Director of Information Technology and Network: Joey Stanford, NV0N
Director at Large: Chris Hamilton, KD0ZYF
Director at Large: David Dean, K0PWO

Business was concluded at 8:10AM

Continuing discussions were had about the future plans and direction of the club and how we will need to find partners to continue to expand our network. Our network took significant damage over the last few weeks due to lightning and will likely be several months and several thousand dollars to get it back to normal.

Major damage: Fremont Peak, Royal Gorge, 5 microwave radios, surge suppressors and injectors were lost. Squaw, 2 microwave radios and injectors lost. Cheyenne Mountain lost a microwave radio and injector.

Respectfully submitted by John Maxwell.
